DETAILED ACTION

Claim Rejections - 35 USC § 102/103

Claims 1-20 are rejected under 35 U.S.C. 102(e) as anticipated by or, in the alternative, under 35 U.S.C. 103(a) as obvious over Anderson '200 as set forth in the earlier Office Action.

In reference to the applicant's arguments is the following: Firstly, the applicant states that Anderson does not mention "internet", "online" or "website" within the Anderson reference. The examiner disagrees. For example, in figure 25, reference numeral 561; the Anderson reference clearly uses the "internet" in concert with his device. Further, the applicant argues that Anderson does not disclose or render obvious the "harnessing" of a mortgage loan with the web and a website. The examiner disagrees. In figure 19 Anderson discloses a loan application process (and on column 10, line 62 specifically mentions loans that can be mortgages). Also, within figure 19, a "secondary lender" is shown which could be analogous to mortgage underwriting and an "other third party" is shown which would at least render obvious other peripherals including insurance, etc.

Art Unit: 3671

Applicant's arguments filed February 17, 2004 have been fully considered but they are not persuasive.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
